All yard debris should be containerized in either bags, ADS provided or individually owned containers. This includes all leaves, grass clippings, plant material, small limbs, vines, hedge trimmings, etc. that can be fully containerized.

Tree limbs/trees and large debris that will not fit in containers must be placed at curb in accordance with City Code Sec. 15-56; i.e. placed at curb in separate pile and all limbs/trees larger than 6 dbh must be cut into lengths not longer than 5 feet.

**Trees, bushes, or other vegetation from commercial tree trimmers, landscapers or building contractors will not be picked up by the City.**

Debris will not be picked up from vacant lots unless a sanitation tax is paid to the city.
