

ADDENDUM I
RFQ QUESTIONS & ANSWERS

- 1) **QUESTION.** Cardno was selected for the Brownfield RLF Program RFP. There is another similar request: EPA Brownfields Assessment Program RFQ that is due later this month. It reads as the same scope of work. Did the contract for Cardno not work out and this is a repeat or is this a second contract for different services?

ANSWER. Cardno is under contract for the RLF program, but this is a separate opportunity. Because our RLF RFQ was specifically for that program, EPA requires us to do another RFQ process.
