

Called Council Meeting
November 18, 2005
4:00 p.m.

Present: Mayor Ray Jenkins
Council Member Lowe
Council Member Pittman
Council Member Hadden
Council Member Anavitarte

City Attorney: Rick Powell

Mayor Pro-Tem Lang and Council Member Weese were not present.

Mayor Jenkins called the meeting to order and stated that this was a called meeting for requests for proposals for Planning and Engineering Services and for a Solid Waste Contractor.

Representatives from companies interested in providing services for the Planning and Engineering are as follows:

Pond & Company
PBSJ
Prime Engineering
Prad Group
Robert & Company

No one was present to represent Keck & Wood, Inc.

Each representative had a ten minute period to discuss their proposal and what they could do for the City of Doraville.

After a discussion period, Council Member Anavitarte made a motion to accept the proposal from Pond & Company with a one year contract at the proposed rates, and an option for a three year contract with a reasonable price increase. Any price increase would have to be approved by the Council. Council Member Hadden seconded the motion. Motion carried unanimously.

Representatives from companies competing for the Solid Waste Contract are as follows:

Allied Waste
Waste Management
Advanced Disposal

Each representative was given ten minutes to present their proposal.

Allied Waste and Waste Management will provide prices to include carts by November 23, 2005.

After a lengthy discussion, it was decided that the Council would table this item until December 5, 2005.

A lady in the audience asked who picked the dates for yard waste pickup. She stated that people did their yard work on the weekends, and should not have to wait until Friday to have it picked up.

Mayor Jenkins adjourned the meeting.

Attest:

Mayor, Ray Jenkins
