--

The undersigned, upon oath, states that the above information is true and correct, understands that the permit issued is only for construction as stated, and that the occupancy of the structure is not permissible until all requirements are met and a Certificate of Occupancy/Completion has been issued by the City of Doraville. The permit is granted on the express condition that the said construction shall, in all respects, conform to the ordinances and laws of the City of Doraville, Georgia, including the zoning ordinance, regulating the construction and use of buildings, and may be revoked at any time upon violation of any provisions of said ordinances. Construction must begin and the first inspection passed no more than six (6) months from the issue date of the permit or the permit is VOID. All required plans, specifications, contractor state licensure, and business licenses must be submitted with the completed application. If any information is found to be false or misrepresented, the permit will be deemed invalid. I agree to indemnify and hold harmless the City of Doraville from all damages, demands, or expenses of every character which may in any manner be caused by construction and/or the structure.
