More than 240,000 vehicles travel across the Top End of I-285 every weekday.

The I-285 Top End Express Lanes will:

- Contribute to reducing 6,000+ hours of delay each day on the Top End
- Provide more reliable trip times and free access for transit and vanpools
- Improve mobility as one of the initial 11 large-scale Major Mobility Investment Program (MMIP) projects in Georgia's metro areas
