Leaf Pick-up

The City is performing curbside leaf pick up now through the end of January, 2019. This service is an add-on to the pickup of bagged leaves. Bagging your leaves and setting them out to be picked up on trash day is encouraged. However, we know this time of year there are lots of leaves and we want to help our residents. The leaf vacuum truck is rotating throughout the City vacuuming up leaves in each neighborhood each week. The actual day of each week cannot be pre-determined. Please help us to help you by doing the following with loose leaves:

- Put the leaves within your front yard at the curb and not in the street.
- Do not allow sticks and twigs to be mixed with your leaves; such items need to be bagged to avoid damaging the operation of leaf vacuum truck.

Reminder to Vote

The State of Georgia will hold a General Election on Tuesday, November 6. Election locations open for voting at 7:00 a.m. and close at 7:00 p.m. There is one voting location in Doraville—City Hall at 3725 Park Avenue. If you need assistance or have questions, please contact the DeKalb County Voter Registration and Elections at 404-298-4020. The County Voting Official is Erica Hamilton.
